My first thought would be Andy since he is our airport liaison.

The Delta Air Lines folks would like to meet with us to present their pending expansion plans. Who would like to join me? I'm thinking about Tuesday, August 2 about 1 PM. Does that work? If not we can find another time, maybe just switch days at the same time? Thoughts, please?

Hello Don, I hope you are doing well.

I represent Delta Air Lines in Los Angeles and we are working with LAWA on the entitlement process which would lead to their relocation to and renovation of Terminals 2/3 (most of T3 will actually be rebuilt). The Notice of Preparation will be released in late August and I'd love to bring Delta execs to meet with you and BID leadership/members to provide you a full briefing of the project. Can we set something up? The lease passed the BOAC last week so now we're eager to share the news about this project.

Can we set something up in the first two weeks of August?

Thanks, Don, and I look forward to seeing you.

Mike
